

Urim Aliu

Marketing Leader, Problem Solver & always learning

SUMMARY

I am a growth-focused marketing leader with a track record of building high-performing teams and developing digital marketing infrastructure to drive brand and business growth. Experienced in B2B and D2C marketing, I specialize in digital strategy, paid media, SEO, email marketing, and UX/UI optimization. I thrive on data-driven decision-making and cross-functional collaboration to align marketing initiatives with business goals. Currently leading marketing at Alchemy, where I'm rebuilding the digital marketing engine to scale demand and increase customer acquisition.

CURRENT WORK EXPERIENCE

Senior Marketing Manager at [Alchemy](#) | Kitchener, ON

June 2024 — Present

- I report directly to the CEO, managing a six-figure marketing budget while leading a team of three in-house marketers and two external agencies to grow both D2C and B2B channels, and I'm currently rebuilding Alchemy's digital marketing system to create scalable, automated processes that support the company's annual growth goals.
- **Key Achievements** in the first 6 months
 - Developed the 2025 marketing budget with the CEO & CFO, increasing spending by 30% to scale digital marketing and expand the team.
 - Implemented a new SEO and content strategy, increasing organic traffic by 27% and boosting inbound lead generation from 30 to 50 MQLs per month.
 - Built a full-funnel paid media strategy (SEM, PPC), optimizing ad spend to drive a 15% increase in D2C sales.
 - Developing HubSpot marketing infrastructure from the ground up to automate lead processing, nurturing, and routing.

Daily tasks:

- **Strategy & Leadership:** Work with Leadership, Sales, Product, and R&D to develop annual and quarterly growth plans. Meet weekly with Product and Sales to review KPIs and marketing impact.
- **Team & Project Management:** Manage a team of Creative Manager, SEO Specialist, Social Media Comms Specialist, Content Writer, and CMS & UI/UX Specialist. Provide mentorship, oversee project planning, and ensure alignment with company goals.
- **Digital Marketing Execution:** Oversee SEO, SEM, email marketing, UX/UI improvements, and digital advertising.
- **Process & Reporting:** Oversee tracking of team KPIs through implementation of weekly 1:1 check-ins with team members to track progress, as well as hold weekly team kickoff meetings, and review performance dashboards to drive continuous improvement.

PERSONAL PROJECTS

Founder at [CommuniHub](#) | Kitchener, ON

February 2023 — Present

Working closely with a team of developers, I lead as the Product Owner in creating CommuniHub from the ground up. This full-stack SaaS platform is designed to empower Business Incubators and Membership Organizations to efficiently manage their communities through a single integrated system.

Founder at [kwkly.ca](#) | Kitchener, ON

June 2020 — December 2021

Successfully developed and launched a scalable ecommerce app for ultra-fast delivery of groceries and everyday essentials.

PAST WORK EXPERIENCE

Product Manager at Wurth Canada | Guelph, ON

October 2019 — June 2020

Introduced new products to the market and improved existing products by identifying gaps and trends in the market.

Category Manager at Fastenal Canada | Kitchener, ON

May 2015 — September 2019

Maintained multiple product lines and relationships with suppliers and vendors, managing product flow both domestically and internationally.
